

June 10, 2026

Dear NBFRA Members,

The yearly membership fee for 2026-27 will remain at \$100/member. The fee is now due and is payable anytime between May of 2026 to May of 2027.

Those who have joined the membership this year and have already paid their membership fees are not required to pay until May of next year.

These membership fees are crucial and necessary for our organization's operations and to assist our legal counsel in Ottawa in advocating for the restoration of our aboriginal rights as Algonquin members.

We give thanks to the members who have already honored their membership fees and are in good standing with the organization. Those who have yet to pay their membership fee can do so by sending an e-transfer to the following email address northbayfrenchriveralgonquins@gmail.com or write a cheque payable to the North Bay French River Algonquins and mail it to my address listed below.

Following our AGM meeting on April 19th, we still have a selection of T-shirts and hats available. You can view these items by visiting our website, nbfra.ca. Regrettably, these items can only be picked up in person and are not available for delivery. Hats are priced at \$22 each, while T-shirts are priced at \$12 and come in sizes L, XL, and XXL, and will be offered until our current stock runs out.

If you're interested in purchasing or want to check what's available, please call 705-472-2241 weeknights between 6:00 p.m. and 10:00 p.m.

On behalf of our Volunteer Board of Directors and the NBFRA community, we thank you for your ongoing support.
